

WRAPRIDER CODE OF CONDUCT AND PLATFORM GUIDELINES

Wrrapd, Inc. -- Wrap + Deliver · WrapRider App **Companion document** to the WrapRider Independent Contractor Technology Services Agreement

Notice / legal address: 7901 4th Street N, Ste. 300, St. Petersburg, FL 33702-4399

Contractor agrees to follow these standards while providing wrapping and delivery Services. Wrrapd may update published standards in the WrapRider App; material safety rules apply as soon as posted.

1. Craft

- Wrap to published Wrrapd presentation standards. Every order is someone's occasion.
- Use a clean, dedicated wrapping area. Keep customer merchandise off the floor and away from pets, food, and smoke.
- Start a live session before unboxing. Keep the camera on the gift. If the live link drops, stop wrapping and restart. Document each wrap as the WrapRider App requires (live session; photos of the finished gift and barcode).
- Affix the delivery barcode so it scans cleanly. Do not cover it with extra ribbon in a way that hides the code.

2. Road and delivery

- Hold a valid license, eligible vehicle, and legally required auto insurance whenever you accept delivery work.
- Do not drive under the influence of alcohol, drugs, or anything that impairs safe driving.
- Follow traffic laws. Do not use a handheld phone while the vehicle is in motion.
- Before leaving for the giftee, scan **every** expected barcode for that stop. Deliver to the address the App shows. Scan again at the door and capture delivery proof.
- Do not enter a home unless the App and the recipient clearly invite a handoff at the threshold; leave packages as the App instructs when no one is home.

3. People and privacy

- Be courteous at the door. Do not discuss other customers' orders.
- Do not contact giftees except as the WrapRider App requires for a delivery attempt.
- Do not post customer names, addresses, or gift contents on social media.

4. Honesty and custody

- Do not accept work you cannot complete in the agreed window.
- Cancel an accepted window as soon as you know you cannot work, and no later than four (4) hours before start.
- If you will not wrap or will not deliver, say so in the App immediately and stage every item for pickup. You have no right to keep goods for a pay dispute.
- Report damage, shortage, or suspected tampering immediately.
- Do not open finished wraps. Do not keep customer merchandise.
- Stage goods at the door or wrapping entrance when Wrrapd demands return. Do not require anyone to enter your home.

5. Platform

- Keep the WrapRider App reasonably up to date.
- Do not share login credentials.
- Follow deactivation and return-of-goods instructions if Wrrapd suspends access.

Violation of this Code may result in lost offers, suspension, or termination of the Agreement, consistent with the Services Agreement.

Electronic acceptance. This document is accepted electronically with the Services Agreement via **I Accept** in the Wrrapd onboarding Platform (ESIGN Act). No Company countersignature is required on the applicant's copy.
