

WRAPSTAR CODE OF CONDUCT AND PLATFORM GUIDELINES

Wrrapd, Inc. -- WrapStar Independent Contractor Network (Gift Wrapping Only · WrapStar App) **Companion document** to the WrapStar Independent Contractor Technology Services Agreement (the "**Services Agreement**")

Notice / legal address: 7901 4th Street N, Ste. 300, St. Petersburg, FL 33702-4399

This Code of Conduct and Platform Guidelines (the "**Code**") sets behavioral and professionalism expectations for WrapStar independent contractors who perform **gift-wrapping only** using the **WrapStar App** and related Platform tools. Delivery and driving are outside the WrapStar role. Legal terms governing compensation, custody of goods, intellectual property, confidentiality, App license, and dispute resolution are set forth in the Services Agreement and other Companion Documents. In the event of conflict, the Services Agreement controls on commercial and legal terms; this Code controls on day-to-day conduct standards unless Wrrapd publishes a more specific policy.

By signing, Contractor agrees to follow this Code and Wrrapd's published Platform / WrapStar App standards, as updated from time to time with notice via the WrapStar App, Platform, or email.

1. Professionalism and Respect

1.1 Treat Wrrapd personnel, persons Wrrapd assigns for drop-off and collection, and any other persons you meet in connection with wrapping work with courtesy and respect.

1.2 Maintain a clean, organized wrapping workspace.

1.3 Do not engage in discrimination, harassment, threats, abusive language, or any conduct that undermines safety or Wrrapd's reputation.

2. Quality and Brand Standards

2.1 Wrap all gifts to Wrrapd brand and quality standards, using appropriate materials and care for the item type.

2.2 Follow order-specific instructions, including designs, messages, flower add-ons, and timing windows published in the Platform.

2.3 Do not substitute materials or alter designs in a way that materially departs from Wrrapd standards without Platform approval.

3. WrapStar App, Live Session, Proof, and Honesty

- 3.1 Use the **WrapStar App** as your primary tool for availability, handoff windows, status updates, messages, live session, and proof uploads. Keep the App reasonably up to date and do not share your login.
- 3.2 Start a live session before unboxing. Keep the camera on the gift. If the live link drops, stop wrapping and restart. Record and upload clear, authentic proof for every order as required by the Services Agreement--typically **unboxing/inspection, wrapping process, and finished gift** (including barcode label). You are **not** required to video-record receipt from or handoff to the person Wrrapd assigns for collection.
- 3.3 Never fabricate, edit misleadingly, reuse proof from another order, or misrepresent order status or completion in the App.
- 3.4 Update order status truthfully and promptly in the WrapStar App, including when an order is ready for collection. Do not use bots, scripts, or other unauthorized automation. Affix the delivery barcode before staging for pickup.
- 3.5 If you will not wrap an accepted order, say so in the App immediately and stage every item for pickup within the published window. You have no right to keep goods for a pay dispute.
- 3.6 Cancel an accepted window as soon as you know you cannot work, and no later than four (4) hours before start.
-

4. Custody and Care of Goods

- 4.1 Safeguard all customer merchandise while in your possession. Do not leave packages unsecured or accessible to unauthorized persons.
- 4.2 Do not open packages beyond what is reasonably necessary to inspect, wrap, and create required proof.
- 4.3 Never use, consume, gift, sell, or keep customer merchandise or flowers for personal purposes.
- 4.4 Report damage, shortage, suspected tampering, or loss to Wrrapd promptly in accordance with the Services Agreement and Platform instructions.
- 4.5 Stage goods at the door or wrapping entrance when Wrrapd demands return. Do not require anyone to enter your home.
-

5. Confidentiality and Privacy (Conduct Reminder)

- 5.1 Treat all customer data, gift contents and messages, wrap designs, order details, and Wrrapd business or technical information as **strictly confidential**. Do not discuss, post, text, email, or share any of it (including WrapStar App screenshots) with anyone who does not need it to perform your wrapping work for Wrrapd.
- 5.2 Never reveal who is sending or receiving a gift, what is inside a package, or how Wrrapd's systems, methods, App, pricing, or operations work.
- 5.3 Do not photograph or film people or private spaces beyond what WrapStar App wrapping proof requires. Do not keep local copies of customer or gift data after the order is done and proof is uploaded.
- 5.4 Full legal confidentiality, non-disclosure, return/deletion, and survival obligations appear in **Section 12 of the Services Agreement** and survive termination. Violation is grounds for immediate removal from the Platform.

6. Brand, Social Media, and Public Statements

6.1 Do not use Wrrapd's name, logos, or marks in advertising, social media, or fundraising except as Wrrapd expressly authorizes.

6.2 Do not speak to the press or public as a representative of Wrrapd without prior written authorization.

6.3 Personal social posts must not disclose Confidential Information or depict customer gifts in a way that identifies the recipient without authorization.

7. Compliance and Cooperation

7.1 Comply with all applicable laws and with Wrrapd's onboarding, screening, and tax requirements.

7.2 Cooperate reasonably with Wrrapd investigations of quality, loss, or customer complaints.

7.3 Respond to Wrrapd communications (including in-App notifications and messages) within published timeframes when you have active or assigned orders or have indicated availability in the App. Submit next-week availability by **Friday 6:00 p.m. Eastern**. If you cannot work because of illness, bereavement, or emergency, notify Wrrapd **immediately** and stage all goods for backup pickup within two hours.

8. Prohibited Conduct (Non-Exhaustive)

The following may result in immediate suspension or removal from the Platform and termination of the Services Agreement:

- Discrimination, harassment, violence, or threats;
- Theft, conversion, detention of goods, or personal appropriation of customer merchandise;
- Failure to provide required live session or proof, or submission of false proof;
- Sharing WrapStar App credentials or allowing others to operate your account;
- Silent no-show or repeated late cancels of accepted windows;
- Chronic poor quality, missed timeframes, or ratings below Wrrapd's published standards;
- Unauthorized disclosure of customer or order information;
- Circumventing the Platform or misusing the WrapStar App in violation of the Services Agreement; or
- Any conduct that materially harms customers or Wrrapd's reputation or operations.

9. Enforcement

9.1 Wrrapd may counsel, suspend, deactivate, or terminate access for violations of this Code or published Platform standards.

9.2 Performance thresholds (including proof completeness and quality ratings) may be published in orientation materials or the Platform and may change prospectively. Repeated missed proof or sustained ratings below published standards may trigger review and deactivation.

9.3 Nothing in this Code alters Contractor's independent-contractor status under the Services Agreement. Wrrapd does not require commercial insurance as a condition of engagement under the Services Agreement.

Electronic acceptance. This document is accepted electronically with the Services Agreement via **I Accept** in the Wrrapd onboarding Platform (ESIGN Act). No Company countersignature is required on the applicant's copy.
